We hereby apply for Membership in NIBA-The Belting Association. We agree, upon acceptance of this application, to abide by the by-laws and other regulations of NIBA. We understand that our membership will continue on a year-to-year basis until a written resignation has been tendered and duly accepted. We apply for the following membership classification: *(See Membership Requirements-Page 2)*

DISTRIBUTOR/FABRICATOR

MANUFACTURER – Belting
(include product literature with application)

MANUFACTURER – Components
(include product literature with application)

AFFILIATE
(include product literature with application)

I have carefully reviewed the Membership Eligibility Requirements approved by the Board of Directors for the Classification of Membership for which I am applying, and "**hereby certify**" that my company meets all these requirements without exception.

Signed: _____

(Must be signed by Officer of Corporation)

Title

Date: _____ NIBA Member who influenced you to join _____

Membership fees are computed from the fee schedule included with this application. Please return this application, the fee computation, and remittance by mail or fax to the above address.

PURPOSES OF NIBA

The purpose of NIBA shall be to further the interests of all distributor/fabricators and manufacturers of conveyor and flat power transmission belting and material that enhances/changes belt. NIBA shall:

- ◆ Promote the use of belting through the Distribution process
- ◆ Represent and promote the belting industry
- ◆ Increase the members level of business and technical expertise
- ◆ Provide a forum for the mutual, profitable exchange of ideas

MEMBERSHIP REQUIREMENTS

1. **DISTRIBUTOR /FABRICATOR**. Any partnership, firm, or corporation engaged in the distribution and/or fabrication of conveyor and flat power transmission belting and material that enhances/changes belt, and who meets the membership eligibility requirements as approved from time to time by the Board of Directors shall be eligible for membership in NIBA. To qualify as a distributor/fabricator, person, partnership, firm, or corporation must own a mechanical slitter and/or splicing equipment, have a stocking inventory greater than \$50,000 and/or fabrication equipment, and provide services and support to end users or other distributors.

2. **BELTING MANUFACTURER**. Any partnership, firm or corporation engaged in the manufacture of conveyor and flat power transmission for sale primarily to distributor/fabricators and who meets the eligibility requirements as approved from time to time by the Board of Directors shall be eligible for membership in NIBA. The manufacture of belting must be a significant portion of business activity.

3. **COMPONENT MANUFACTURER**. Any partnership, firm or corporation engaged in the manufacture of material that enhances/changes belt, or parts, machinery, or equipment that comes in direct contact with flat belting, for sale primarily to distributor/fabricators and who meets the eligibility requirements as approved from time to time by the Board of Directors shall be eligible for membership in NIBA.

4. **AFFILIATE MEMBER**. Any partnership, firm or corporation whose product or service is directly related to the interests of the other classes of membership, and whose relationship to the other members is deemed beneficial enough by the Board of Directors to qualify for "Affiliate" Membership. This class of membership shall not have the right to vote, hold office, or serve on the Board of Directors of NIBA. However, they may serve on Association committees at the discretion of the President of NIBA. Affiliate members do not stock belting, nor are they manufacturer's representatives or sales agents.

Immediately upon approval of your membership application by the NIBA Board of Directors, you will receive the following NIBA membership benefits:

- ◆ Engineering Handbook
- ◆ NIBA Membership Plaque
- ◆ NIBA Member Directory
- ◆ Member publications (Belt Line, NIBA History, etc.)
- ◆ Opportunity to have your company "Spotlighted" in the Belt Line
